O.R.R. Homecoming Day

Homecoming Day was celebrated last Saturday at Old Rochester with the traditional half-time parade of floats, homecoming king and queen candidates, band, majorettes and cheerleaders. On the cover are the two winners: the top photo is the float by the sophomore class which won first place in the judging; the photo at the bottom is the junior class's creation, which won second place. Others are shown above: left, the senior class float and the right, freshmen class float. Photo bottom right is the new concession stand built by the Gridiron Club. Photos, DCJ

All of the floats this year depicted the 25th anniversary of Old Rochester Regional High School.

The football game saw Old Rochester bow to Fairhaven by a score of 26 to 14. Both of ORR's touchdowns were scored by quarterback Tim Drew, one in the first quarter to give ORR a 6 to 0 lead, and the final one in the fourth quarter, and John Reed rushed for the 2-point conver-

ORR GRIDIRON CLUB EXPRESSES APPRECIATION

The Old Rochester Gridiron Club would like to express its appreciation to the following people without whose generosity the new concession stand would not have been possible:

Dennis Brum, Architectural Engineering; Barry Denham, Excavating; David Furtado, Concrete Forms; Lawrence Ready Mix, concrete; Cape Building System, steel door; Randall Sawmill, lumber; Mahoney's, roof shingles; Phil Francis, framing and carpentry; Chase Builders, roofing and counters; Peter Sowden, electrical; Tripp Plumbing, plumbing; Cliff Lopes, finish masonry; Family Oil, miscellaneous; Old Rochester School Committee. Last but not least, a lot of hard work from the fathers of the Gridiron Club.

Engineering).

Santos addressed the letter to Philip S. Ripa, Chief of Water Pollution Control, and listed the following action the school administration has taken:

1.) The first violation: The discharge of untreated and unchlorinated wastes into the waters of the Commonwealth is occurring and is caused by the intentional by-passing of the wastewater treatment facility.

The response: I would like to correct the statement of what was observed. Untreated and unchlorinated liquids were taken from the aeriation tank and poured into a leaching bed. Admittedly this was a by-pass which should not have taken place and when brought to my attention was immediately stopped. Presently notice all waste is being treated through the plant.

2.) The second violation: Major modification and reconstruction of the treatment facility was underway.

The response: All modification and reconstruction of the treatment plant has been stopped. I immediately notified Thompson Consultants, Inc. that plans, specifications and contract documents should be sent to your office for approval.

1.) The first complaint: Complaint of non-notification to the Department that a by-pass was to occur.

The response: Our plans did not call for a by-pass. The specifications and contracts make provision for pumping by an authorized contractor and disposition at an approved

waste water facility.

2.) A second complaint that no plans have ever been submitted to this office (DEQE office) for review and approval prior to the commencement of construction, as required.

The response: This is standard operating procedure that should have taken place.

3.) The third complaint concerns a construction schedule the DEQE obtained during the inspection and indicated that these activities (construction and subsequently raw wastes by-passing) would be on-going for approximately nine (9) months.

The response: The plant shut down for operation for four (4) days. I am not aware of any plan that the plant would not be operating for nine (9) months. That is an inference by the on-site inspector reading the contract schedule. Upon receipt of this schedule I did indicate to Harding and Smith that all construction activity would be monitored by your Department.

4.) The final complaint: The Department's Shellfish Section is closing the shellfishing areas in the vicinity of Pine Island Cove and Mattapoisett Harbor based on contamination due to this discharge.

The response: The contamination of Pine Island Cove and Mattapoisett Harbor has been an on-going concern prior to the four days that the Old Rochester Regional plant was not in operation. I have ordered additional coliform tests. I am enclosing laboratory reports of analysis for the last eight (8) months indicating treated waste water which has been discharged into a brook which is 13,000 feet, in the woods behind the building.

The letter concluded with the personal comments of Santos: "It has always been the policy of this school department to operate the waste water treatment facility in compliance with the state DEQE regulations.

In this spirit, the Old Rochester Regional School District Committee in conjunction

with the Boards of Selectmen from Marion, Mattapoisett and Rochester filed special legislation for funding in order to update and keep functional the treatment plant we own."

Selectman Frank Suzan took exception to Santos' comment on the pollution at Pine Island Cove. Selectmen Chairman John DeCosta and Selectman James Huntoon agreed "we have not had any contamination in that section before the school's discharge problem", and they stressed that area has not been closed before.

In other business, Selectmen:

WERE NOTIFIED BY THE STATE DEPARTMENT OF REVENUE that Mattapoisett's Free Cash figure as of July 1, 1985 is $178,975. Last year's figure was $227,899., a loss of $48,924. DeCosta said "we're in pretty good shape for a small town if the figure is around $175,000."

NOTED that over the past weekend Shellfish Constable Brian Nunes transplanted 75 bushels of quahogs at a location east of Reservation Road to the Creek. Nunes informed Selectmen he would like to thank Bob Parker for the donation of his boat and his time assisting him. The board agreed to send a letter of thanks to Parker.

RECEIVED WORD that the town's apportioned assessment to Plymouth County is $92,809.78. Last year's assessment was $95,195.48 - a $2,385.70 decrease in the amount to be paid to the County Treasurer.

AGREED on the tentative dates of November 9th and 16th for perambulating the bounds with fellow Selectmen in the adjoining towns of Fairhaven, Marion, Rochester and Acushnet.

Halloween Safety Tips

CHIEF MORAN AND SAFETY OFFICER ENNIS GIVE HALLOWEEN TIPS

Children in Mattapoisett will be trick or treating for Halloween, and Police Safety Officer Stan Ennis joins others in Massachusetts in reminding motorists to be on the alert.

Youngsters will be walking in the streets thinking about fun, not safety, said Ennis. "This puts an added burden on drivers who need to be especially careful when driving in residential areas."

Safety Officer Ennis has some advice for parents to help make this Halloween safe for their children.

1. The most important thing is visibility. Make sure your children can see and be seen. If the children must be out at night, they should wear light colored costumes, preferably outlined in reflective tape.

2. A flashlight will not only allow them

A THANK YOU

The Rochester Memorial School PTC wishes to extend a heartfelt thank you to all our friends who responded generously to our fund-raising efforts to support our curriculum enrichment program at the school. These funds are used to bring programs and assemblies into the school, thereby exposing the children to new and exciting ideas and people. As always, PTC sincerely appreciates your support.

up in the October 16th Presto. You must have proof of your income eligibility with you.

Harold Roeder wishes us to inform Seniors that he is planning two trips in early November: one to the Renoir Exhibit at the Museum of Fine Arts in Boston and the other a Hyannis trip. The dates will be announced as soon as he can arrange the date with the Museum. Admission to the Museum exhibit will be $3. for Seniors. Both trips will be made by our Senior Van, and lunches will be dutch-treat.

If any of you were unable to decide in time to make reservations for our New Year's trip to Bethlehem PA., here is another opportunity. Harold Roeder has just informed us that he has been granted 14 more tickets (seven couples or pairs-double occupancy). Final date will be November 15th. Do not let this opportunity slip by for a lovely, three-day trip. Complete description is still available in our office, as we still have pamphlets on hand.

Please remember to phone 758-3758 or stop off at our office in the Town Hall to make reservations, usually not more than a week before the date of the trip, if by van. Our hours are 9:00 a.m. to 12:00 noon Monday through Friday.

Dollars for Scholars

SECOND ANNUAL PHONE-A-THON

The second annual MMR Tri-Town "Dollars for Scholars" Phone-a-thon will be held on Saturday, November 2nd, from 10:00 a.m. to 5:00 p.m., and on Sunday, November 3rd, from 12:00 to 5:00. Volunteers will be calling residents of Marion, Mattapoisett and Rochester to solicit pledges for the MMR Scholarship Fund. Last year's Phone-a-thon raised over $5,500. thanks to the generosity and support of tri-town residents. When the MMR volunteer calls help support the scholarship fund. Volunteers will be making calls from Sippican Ocean

Systems in Marion and Dunn Insurance in Mattapoisett. If you wish to donate some of your time to the Phone-a-thon contact Susan Hottel (758-4417).

Since 1983 MMR has awarded over $40,000 in scholarships. Recipients have been students at Old Colony, Old Rochester, Bishop Stang, Tabor, and Bristol Aggie. In addition, awards have gone to re-entry students and students already in college.

The continued success of MMR Tri-Town "Dollars for Scholars" depends upon the continued support of all three towns.

Old Hammondtown School

PARENTS OF STUDENTS

All of us at school were elated to see the large turnout for our Open House last Wednesday. The children in Mattapoisett are fortunate to have such a large and active support group. It is quite common today to have Open House affairs with very few parents attending.

Our Open House is something that I personally look forward to each year. In addition to being an enjoyable evening for me, I also realize what parent attendance means to the students and staff at the school. The link between home and school is vitally important.

In addition to our town bumper stickers saying Mattapoisett - It's Special, perhaps we should add WE CARE.

Tri-Town supplies scholarships for the young, support and supplies for the sick, the elderly and others in our community who are in need. In addition to these activities, Tri-Town also supports the programs of Massachusetts Lions and Lions Clubs International which include Eye Mobile, Eye Research, New England Eye Bank, Hearing Conservation and Diabetes Education.

In order to provide these services to the community and funds to Lions International, the club requires an active membership. Members are expected to attend monthly meetings and to participate in the activities of the club through direct participation on the day of the event or in the advance preparation.

In addition, Tri-Town has fun activities for the membership such as monthly raffles, "secret pals" and a members-only $$$ raffle drawing each month.

We invite you to membership in our service-oriented organization. We'd love to share your ideas and work with you on our projects. To find out more about us contact membership chairman Mary Lomba at 748-0874 or president Diane Halpren at 758-9747 (or any member of Tri-Town Lioness

MEETING FLORENCE EASTMAN POST

A meeting was held at Florence Eastman Post 280, American Legion Headquarters on Depot Street, Mattapoisett Wednesday night, October 23rd.

The members voted to buy a new refrigerator to replace the old one in the back room.

There are about 100 members who have paid their dues. Anyone who hasn't, please send the money in soon.

Commander DeCosca will look into some electrical problems in the Post that need correcting.

We hope at our next meeting we can set a day where the Legion and Auxiliary members can do some painting and cleaning inside the hall. Any members who would like to help, please let me know.

I want to thank the 25 members who came to the meeting.

Coffee and donuts were served by Adjutant George White.

Any veteran who would like to become a member, please contact John N. DeCosta at 758-2310.

Plans were discussed about the Veterans' Tri-Town Parade that will be held in Wareham on November 11 at 1:30 p.m. The parade will form at the end of Main Street, at Warr's Memorial Park. Those of you who are taking part in the parade please send in your form so we can fit you in the line of march. Refreshments will be served to all marchers after the parade.

In all areas every effort has been made to match the books to the interests and reading levels of the area.

This book fair is a volunteer activity sponsored and staffed by VASE (Volunteers at Sippican Elementary) and all the profits go to benefit the school Library and Resource Center and the children at the school. Because the money goes back into the school there is no sales tax and customers should realize this fact means a savings of the five extra cents on every dollar purchase they would otherwise have to pay.

by PAUL MYERS

"PILGRIMS IN THEIR OWN LAND - FIVE HUNDRED YEARS OF RELIGION IN AMERICA"
by MARTIN E. MARTY

Martin E. Marty is probably the foremost scholar and writer on American religion in our time. He is professor of Modern Christianity at the University of Chicago and a writer of numerous books and articles on contemporary questions. In this, his latest book, he follows the American people from their origins in Europe, Asia and Africa showing the roles their multi-varied religions have played in shaping the values of a great country. Never before have so many different cultures learned to coexist with comparatively little acrimony.

You probably know but are seldom aware of the fact that tens of thousands of years before Columbus discovered America, Asian pilgrims crossed the land bridge connecting Siberian Asia with Alaskan America. This is where this book begins. The waters of the Bering Strait have covered the land bridges ever since the ice of the last ice age melted ten thousand years ago. Nevertheless, the pilgrims keep coming

bringing their contributions, religious or otherwise. The author reminds us that "All Americans are a peregrine people".

The book concludes with statements like these: "The pilgrimage may end one day --- but it is more likely Americans may wander across a horizon whose detail few now can even imagine -- and people's passion to make sense of things and to find company with others who share their visions will prevail into indefinite tomorrows. Their dreams will 'prod them on to more restless pilgrimages."

Good and informative reading! This book is presented to the library by the Mattapoisett Woman's Club in memory of Henry J. Weidner.

There will be four additional meets, including the league playoffs, before the league champions are crowned. The highest cumulative score for the season will determine the winner and ORR has held that honor for the past four years.

According to Mr. Dwayne Cameron, ORR's advisor, "the team members must once again get used to a new writer this year; plus the team is not as experienced as in years past. We've several rookies on the team and it will take some time to adjust. As long as we can stay in striking range of Dartmouth, we'll be O.K. The students this year don't want to be responsible for breaking a four year record. Last year we led from start to finish and that put a lot of pressure on us. This year I hope we peak at around the fourth meet or the playoffs." Top scorers for ORR were: Brian Reid (captain), Amy Reardon, and rookie Vicki Hiller.

The results of the first meet were: Dartmouth 136; ORR 134; Falmouth 113; Nauset 104; Dighton-Rehoboth 102; Sandwich 101; Bishop Feehan 100; Somerset 99; Barnstable 97; Attleboro 84; Case 74; Taunton 67; Dennis-Yarmouth 61; Bishop Connolly 49; Bourne 46; Fairhaven 42; Chatham 36; Durfee 33;

HEAT YOUR HOME WITH 27% LESS OIL.

Many oil boilers in America operate at only 60% efficiency (which means 40% of the heat is going right up the chimney). A new Weil-McLain Model 66HE oil boiler operates at an impressive 82% efficiency. If you have an old fuel-wasting boiler, you could reduce your fuel oil usage by 27% with a new 66HE high-efficiency oil boiler.

The 66HE oil boiler is made of cast iron to give you years of dependable comfort. It's from Weil-McLain — America's leading manufacturer of home heating boilers for over a century. And we have one that's just the right size for your home.

Call us today. We'll show you how you can cut costly energy waste.

Nursing Mothers' Council

Nursing Mothers' Council will be holding its bi-monthly Parents' Forum Meeting on October 30th at 7:30 at the home of Virginia Rivard-Raposa, 65 East Clinton Street,

Here's how Chiropractic treats Headaches

Headaches can, of course, result from many conditions. But research has revealed that a common cause—often unrecognized—can be traced to the cervical vertebrae (spinal bones of the neck).

Seeking relief by merely drugging the pain often allows the cause of the symptoms to go untreated. If you have headaches, it would be wise to seek qualified professional counsel as early as possible from a doctor of chiropractic. Under chiropractic care, a patient is either treated or referred after a comprehensive differential diagnosis.

Whaling Museum

OPEN FREE ON WEDNESDAY AFTERNOONS NOVEMBER 1985 - 1-5 P.M.

When was the last time you went to the Whaling Museum? Come climb aboard the 89 foot half scale model of the whaleship LAGODA. Walk around the dramatic 1848 panorama painting depicting the sailor's life aboard the working whaler. Discover the decorative figureheads and sternboards that adorned and identified New England's proud merchant vessels. Tour the Museum galleries of paintings, whaling artifacts and scrimshaw. Come learn about the men, women, ships and ports that developed the dangerous and exciting whale fishery into one of America's most successful 19th century industries.

Current exhibitions at the Museum include "The New England Fisheries", a collection of paintings and prints that illustrate and pay tribute to the proud New England fishing industry. The complementary exhibition of contemporary photographs taken by today's New Bedford fishermen helps explain the advanced techniques and ever present challenges of the offshore fisheries.

Free Wednesday Afternoons in November are made possible with a generous grant from the Reynolds-DeWalt Printing Company.

ROBERT GORDY PRINTS AND PAINTINGS OPENS MONDAY AT THE CRAPO GALLERY

The William W. Crapo Gallery at the Swain School of Design is pleased to announce the opening on Monday, November 4th, of ROBERT GORDY PRINTS AND PAINTINGS, an exhibition circulated by the Southern Arts Federation. In her March 1985 Art In America review of Gordy's monotypes at the Arthur Rogers Gallery in New Orleans, Marcia E. Vetrocq noted, "Gordy's second gallery showing of his new work was a knockout, some two dozen suave yet honest works without a ringer in the lot".

A native of Jefferson Island, Louisiana, Robert Gordy received both his B.A. and M.A. degrees from Louisiana State University. Originally best known as a

Center Friday, November 1st, at 1 p.m. The performance is free and open to the public.

The performance of The Belle of Amherst by William Luce is a production by Your Theater of New Bedford. The play, a portrait of Emily Dickinson, not only tells her biography but features generous selections of her poetry as well. Lucy Bly, the actress who portrays the poet, has been highly praised for her interpretation of the play.

The play will be presented by the BCC English Department in cooperation with the Arts Center Theater. Teachers are encouraged to bring their classes. Jules Ryckebusch, department chairperson and associate professor of English and communications, said the performance will be more than enjoyable. "The show will be a good exposure to both the poetry and the life that produced the poetry of Emily Dickinson", he said.

For more information about the November 1 performance contact Ryckebusch at 678-2811, ext. 131 or 123

Featured items will include dried flower arrangements, country folk art, hand-carved wooden items, all types of wall and door decorations and much, much more. All crafts are handmade and are of much better quality than could ever be purchased in a store. Also included will be Standish Humane's own "Christmas for the Animals" table where felt stockings filled with goodies, catnip mice, bird seed/suet balls, and other such delectable items will be available.

Refreshments will be available throughout the day.

Come and enjoy the talents of these crafters and find beautiful, unique Christmas gifts before the rush of the Christmas season.

For more information please call B. Davis at 224-2008.

All proceeds from this and other events are used for the care of strayed and abandoned animals in Plymouth County. The Standish Humane Society is a non-profit volunteer organization.

Christmas Bazaar, Luncheon

AT WESTPORT CHURCH

A Christmas Bazaar and Luncheon will be held at Pacific Union Congregational Church, 526 Old County Road, Head of Westport, on Saturday, November 9th. The Bazaar opens at 10:00 a.m. and will run until 2:00 p.m.

A meat loaf luncheon will be served between 11:30 a.m. and 1:00 p.m. The menu features homemade meat loaf, served with vegetables, dessert and beverage, for $3.50. Because seating is limited reservations must be made in advance by calling Beatrice Potter at 636-2941.

Sale items featured at the Handwork Table will be a Cabbage-Patch Doll Boutique, as well as other gift items. Candy and plants will also be on sale. There will be all kinds of baked goodies on the food table; the White Elephant section will include

Tobey Hospital

TO THE EDITOR

This is a follow-up on our earlier letters regarding the status of the Tobey Homestead.

Out of the numerous inquiries that the Board of Trustees has received, there were three serious proposals. Of these, one alone seemed appropriate for the location and even that was questionable because it would entail assurances of substantial parking facilities in the access area of Tobey's Emergency Room. The planned expansion and alteration of our Emergency Room facilities mean more space will be required between the existing hospital and the Homestead location. Finally, with the projected growth in population of this area, the further expansion of hospital facilities appears likely.

With the above in mind, the Trustees of Tobey Health systems, Inc. voted last Friday, October 18, 1985 to dismantle the Homestead. In that connection, we are looking into the possibility of selling any or all of the artifacts that may be of interest to the people of the Tobey community.

We are well aware of the interest many Wareham residents and organizations have in

YOUTH LESSONS

The Greater New Bedford YMCA offers two programs in Youth Aquatics: a pre-school Program and the YMCA National Progressive Swim Program. The pre-school aquatic program is for children ages six months to five years. The program is designed to introduce the child to the water and progress the child to a level where they can swim independent of both parent and floatation device. The YMCA Progressive Swim Program is for children ages six to fourteen. This program's emphasis is placed on stroke mechanics and endurance with the student progressing at his or her own pace. Classes begin the week of November 4th.

LIFESAVING

The Greater New Bedford YMCA will be offering a lifesaving program. Each participant of the program on completion receives certification in the National YMCA

Again this year, people from every walk of life will be brought in handcuffs to the facsimile "jail" by a law enforcement officer. Once in "jail" they will have to telephone family, friends and co-workers to help "bail them out". All donations are used to fund American Cancer Society programs of research, education and service to cancer patients. The "jail" structure has been donated by John F. Fellouris, Inc., General Contractors.

Thursday, November 7th, is "Celebrity Day", kicking off the fund-raiser with arrests of local notables, including radio and television talk show hosts, newspaper editors, publishers and reporters, educators, attorneys, religious leaders, medical professionals and politicians.

Friday is "Corporation Day" during which prominent businessmen, former presidents of the New Bedford Chamber of Commerce and officers of major area corporations will be brought to "jail" to call on employees and colleagues to set them free.

Saturday is "Community Day" when citizens from every age group and every segment of the community will be "arrested". In addition, for a donation of $25. to the American Cancer Society, individuals may request the arrest of a boss, spouse,

"This year, we're having a bigger jail and more telephones so 'arresters' and 'arrestees' can phone in and out more easily," said Mark Montigny, Chairman of the American Cancer Society Fund Raising Committee.

"Last year the event raised over $20,000 for cancer research," Mr. Montigny said. "It was our first Jail-a-thon and the entire community responded overwhelmingly. We arrested judges, nuns, teachers, businessmen and politicians. Everyone was very enthusiastic. We're confident this year's Jail-a-thon will be even more successful."

drinking songs. For ninety minutes, the audience will be alive in the year 1789.

Benjamin Franklin was the most famous American of his day. His scientific writings, and inventions, as well as his wit and notorious charm, were legend in Paris, London, and throughout Europe. Less well known is his great love of music and his invention of the glass harmonium.

Following the performance, the audience will join Dr. Franklin in the Lagoda Room for wine and cheese.

Mr. Meikle has received rave notices for his performances as Ben Franklin, whom he has been impersonating since 1981. In addition to his residency at The Museum of our National Heritage, his Dr. Franklin has starred in television commercials, a full-length video performance, an educational film, Fire in America, and has conducted 18th century church services in Franklin's own words at various locations in Massachusetts.

HANDY TO PERFORM WITH PHILHARMONIC IN PLYMOUTH THIS SATURDAY

There is little doubt that Trevor Handy is an extremely talented and experienced classical musician. This superb cellist has been a soloist with the Boston Symphony Orchestra, Boston Symphony Chamber Orchestra and several regional orchestras. He has also been principal cellist for the Yehudi Menuhin Academy Chamber Orchestra, Lausanne Academie de Musique, and the Longy Chamber Orchestra.

An impressive background to be sure; however, his accomplishments seem all that more astounding when you realize Handy is only 20 years old. Currently a student at Julliard School in New York, this native of the Boston area is already considered

one of the bright, new stars of classical music.

Trevor Handy will appear as guest soloist with the Plymouth Philharmonic Orchestra on Saturday, November 2nd, at 8 p.m. in Memorial Hall in Plymouth. Handy will work his magic with the 75-member regional orchestra in Peter Tchaikovsky's Rococo Variations for Violoncello and Orchestra. Aaron Copland's "Appalachian Spring" and Oscar Straus' Serenade in G Minor for String Orchestra will also be performed.

"Trevor is a virtuoso", said Rudolf Schlegel, who is celebrating his 10th year as Music Director of the Plymouth Philharmonic Orchestra. "There's no other way to describe him. His playing abilities are of the first order."

"First and foremost, we selected 'Appalachian Spring' for this program because it is a great piece of music," Schlegel said. "However, there were other important ties to this performance. It is the start of American Music Week and November is also Copland's 85th birthday and the 70th birthday season of the Philharmonic. It seemed appropriate to include this beautiful piece in our November 2nd concert."

The orchestra will also perform Serenade in G Minor for Strings by Oscar Straus. This romantic work is in five movements and is scored entirely for stringed instruments. Best known for "A Waltz Dream" and other operettas, Straus was a talented composer of both popular and serious classical music.

The concert will take place at 8 p.m. on Saturday, November 2nd, in Memorial Hall on Court Street in Plymouth. Tickets for this performance are $9., $8., and $7. (half price for seniors, students and children). Tickets are available at the Ruddy Duck in Duxbury, the Snow Goose Shop in Plymouth, Notes & Quotes in Kingston, the Don Ryan Music Company in Norwell or by calling the Philharmonic office at 746-8008.

This concert is funded in part by the Massachusetts Council on the Arts and Humanities, a state agency whose funds are recommended by the Governor and the legislature.

Clive Thompson Dance Co.

NEW YORK DANCE COMPANY TO PERFORM AT SMU

The Clive Thompson Dance Company will entertain at Southeastern Massachusetts University on November 16th. The New York City Troupe's performance will start at 8 p.m. in the main SMU auditorium.

The company of 11 dancers made its debut in 1981 at the prestigious Jacob's Pillow Dance Festival. Its artistic director, Clive Thompson, is known for his performances as soloist with the Martha Graham and Alvin Ailey dance companies. He founded the dance department at Trinity College in Hartford and set up the Community Action Arts Program for the Connecticut Commission of the Arts. Thompson has choreographed for the Corpo de Baile in Brazil, for the Takarazaruka Company in Japan, for ABC-TV's Emmy-award winning "Pueblo Incident", and for the Kansas City Philharmonic's production of Bernstein's "Mass".

Critics have praised the dance company: "Mr. Thompson has gathered around him a group of vibrant young performers who dance with infectious joy and impressive skill and discipline." (The New York Times)

"A freshness and vigor blew through the dance festival theater unlike anything that has whooshed through all summer." (Springfield Morning Union)

Ticket prices are $7.50 for the public, $5. for senior citizens and staff, and $2.50 for students. For tickets call the Campus Center ticket office at 999-8136.

The performance is sponsored by SMU's Cultural Affairs Committee. It is funded in part by the Massachusetts Council on the Arts and Humanities and the National Endowment for the Arts through the New England Foundation for the Arts.

Because tradition only gets better.

My family left England in 1687 for the new world. After 3 months of stormy seas they discovered Gull Island. It's been part of our family heritage ever since.

Gull Island traditions haven't changed too much over the past 300 years. And we don't expect they will over the next 300. You can't replace tradition.

The Challenger was commissioned by my grandfather in 1923. My grandfather taught my father how to sail it and my father taught me.

I've sailed many boats since. But none came close to the Challenger. People always notice the Challenger, not because it's new, or a fad, or flashy, but because it's a classic. You can't replace the Challenger. You can't replace tradition.
